

SEPTETO INTERNACIONAL: CÓMO ME GUSTA EL 7 [*How I like 7*]

The name of M. Fleiner's band is reminiscent of traditional Cuban Septets and on the other hand of the international.

Together with another 6 musicians from Latin America, Spain and Switzerland Fleiner mixes Salsa, Latin and Jazz into easy to enjoy rhythms in 7/4 time paying tribute to the special number 7, about which he tells us more in his booklet.
